

City of Brighton 2nd Street Parking Lot Construction

The City of Brighton's contractor, Contracting Resources, will begin working on a brand new City parking lot on North Second Street, adjacent to the railroad tracks, on Monday, May 18, 2009.

This parking lot will yield approximately 50 new parking spaces as well as include storm drainage, landscaping, and fencing. It is expected to take approximately two weeks to complete the project.

**** THERE ARE NO ROAD CLOSURES OR DETOURS REQUIRED FOR THIS PROJECT ****
