

**City of Brighton  
Water Service Line Repair  
Monday, May 19, 2014**

The City of Brighton's contractor will be performing a planned water service line replacement on Rickett Road, north of the railroad tracks, on Monday, May 19, 2014. The work is expected to last from 8 am to 5 pm. The roadway will be reduced to one lane in this area and motorists will experience minor delays traveling in both directions. Alternate routes are suggested.

We appreciate your cooperation with this critical work that needs to be done.

For questions or concerns, please contact the Department of Public Works at 810.225.8001.
