

CITY OF BRIGHTON INFRASTRUCTURE REPAIRS

PRESS RELEASE

June 13, 2014

NEWS RELEASE

Please be advised that the City of Brighton's contractor will be making repairs to the City's storm sewer infrastructure on Saturday, June 14th and Monday, June 16, 2014 beginning at 7:00 am. On Saturday, they will be repairing two storm drains at 1405 Brighton Lake Road, just west of Northern Ridge Drive, and on the boat launch site on Brighton Lake Road. On Monday, June 16th, they will be repairing a catch basin on North First Street, at the corner of Cedar Street.

This work will require partial lane closures in these areas and some intermittent vehicle inconveniences may occur.

If you have any questions or concerns, please contact the City of Brighton DPW at 810.225.8001.

Dave Blackmar,
DPW Director
