City of Brighton**

Leaf Program 2015 – Status Update

The City of Brighton is approximately 60% thru the curbside leaf vacuuming schedule. Last week's heavy rain and wind conditions did cause certain delays to our crew's efforts.

Crews were able to complete section #1 which includes:

Whitney, Walnut, State, Chestnut, North Second through North Seventh, South First through South Seventh, Main, Pierce, Franklin, Michigan, Livingston, Lakeside, Brighton, Madison, Washington, etc.

Crews are still working in section #2 which includes:

Fairway Trails, Alpine, Devonshire, Robertson, Oak Ridge (including all cul-de sacs and courts, Glenwyth, Whispering Oaks, Woodlake (Including all cul-de-sacs and courts), Heathertree, Northern Ridge, Long Leaf Court, Peppergrove, Baywood Circle, Brighton Lake Road, Lincoln, etc.

It is estimated that crews will be completing this section by Wednesday of this week.

Crews will then move on to section #3 which includes:

St. Paul, Beaver, Liberty, Flint, Williamsen, Nelson, Hillcrest, School, Church, Leith, North, East, Spencer/Main, Dutcher, Hope Clark, Kissane, O'Doherty, Maurice, Carney, Becker, etc.

They will then make one more pass thru all of the sections to complete the program for the year.
